

Picture Sale for China Education Program

Do these pictures of TV/Movie/Game characters look familiar to you? They are hand drawn on the computer by our talented NCLS students and are printed in 4 x 6 quality photo papers with nice finish. They can be used or framed as beautiful birthday cards or holiday gifts.

If you are interested, please order the favorite pictures for your kids. The pictures are only \$3 each. The net proceeds will be used to support the China Education Program. Below are some of the pictures available for sale. For the full selection, please visit our stand this week in the Cafeteria.

We need your support to make the China Education Program possible.

Thank you for your support.
