

NCLS Adult Ballroom Dance

For the first time ever in the 20+ years of “HP” history, we will teach international Jive and Paso Doble solo routines for the 2021 Fall semester.

No partner needed! Tons of Jive rocks, kicks, flicks and twirling will surely make your feet happy! Sharp and powerful movements of Paso will transform you into a proud, confident and noble matador! Plenty of Latin techniques and drills will sprinkle in between to make sure you have sound fundamentals.

Happiness has shortcuts and dancing is one of them!
