

Children's Drawing and Watercolor

2212 绘画二乙 (彩绘, 8-9岁) Art 2B: Drawing/Painting

Student Ages: 8-9

Class Description: This class strengthens foundational skills and introduces the student to the visual elements and principles of design. Students will work with 2-dimensional and 3- dimensional objects in order to learn the foundational observation techniques including scale, layering, perspective, value contrasting, and proportion with color pencil, oil pastel, and watercolor. Students through learning different art experiences, will enhance their perception, creativity, and art appreciation.
