

2221 绘画十二 彩绘 (6-8岁) Drawing/painting age 6-8: Class Description and Student's Artworks

2221 绘画十二 彩绘 (6-8岁) Drawing/painting age 6-8

Student Ages: 6-8

Class Description: This class emphasizes the foundation and technique of drawing by exploring line, shape, space, color, and composition. To increase students' creativity through using different types of art materials such as color pencil and oil pastel, students will learn to draw cartoon characters, animals, portraits, landscape and simple abstract. We strive to help students develop their art interests, appreciation, perception, observation capability, and creativity. We encourage students to express their imagination through learning experiences.
