

Title: NCLS Support Education Plan (Year 2008)

Dear Parents and Teachers;

Following last year's NCLS support education plan, we are currently planning this year's project. This plan has two meaningful purposes. One is to create opportunities for our students to experience Chinese middle school learning and living environment, practice their Chinese skills and make friends. The other purpose is to financially support students in economically disadvantaged areas in China, allowing them to carry on and finish their high school education.

Last year we had 8 NCLS students participating in this plan. They went to Da Qiao Middle School in SiChuan Province during April school vacation in 2007 and had great experience. You can find all the related articles on our school website.

This year we will go to Chang Jiang Middle School in JiangXi Province during April vacation time in 2008. If you are interested in having your children participate in this year's project, you can send e-mails to Wu Xiao Yun or Chen Hui or He Rui Ping at xwz_99@yahoo.com or shcchen@gmail.com or ruiping_he@hotmail.com.

We will run school wide fund raising activities for this plan during March and April timeframe. More details on fund raising will follow soon. The Board and the working group welcome your good suggestions and ideas. For fund raising activities, please send e-mail to Guo Hong, Sun Jing and Li Shaona at hguo@psivida.com, jing_sun01@yahoo.com and shaonal@yahoo.com.

If you have any question on this plan or if you would like to join the working group, please send e-mails to Wang Weidong or Zhou Qionglin at weidong@yahoo.com or Qiong666@hotmail.com.

Like all the meaningful activities at NCLS, your support, help and participation are very important to make them successful.

Thanks!
