The screenshot displays the Newton Chinese Language School website. At the top, there is a navigation bar with the school's name in Chinese and English: "牛顿中文学校 Newton Chinese Language School". Below this is a secondary navigation bar with links for "Home", "Journal", "Registration", "Calendar", and "After School/Summer Camp", along with a search box. The main content area is divided into several sections:

- Quick Links:** A vertical list of links including "About Us", "Staff & Leadership", "Parent Duty Info", "Direction", "Parking", "Forms", "Rules & Policies", "Directories", "Course List", "Career", "President's Volunteer Service Award", "Support", "Education Program", and "Useful Info".
- Important Links:** A list of links including "HSK 汉语水平考试", "Weekly News", "Frequently Asked Questions", and "School Alerts/Weather and Cancellation".
- Donation Link:** A link to the "Donation Form".
- Login Account Access:** A login form with fields for "Login ID" and "Password", and radio buttons for "Parent" (selected), "Teacher", and "Staff/PCC". A "Login" button is present. Below the login form, the text "New family? Create an account" is circled in red.

In the center of the page, there is a large image of a group of people on a stage, likely from a performance or event. Below the image is a calendar navigation bar with days 1 through 23, and "Prev" and "Next" buttons. Below the calendar, there is a "What's New" section featuring a banner for "NCLS WINTER CAMP" with the dates "FEBRUARY 17-21, 8:30AM-5PM" and the address "815 WASHINGTON STREET, NEWTON 02460".

First registration period for only existing students is on right now. During this period, existing students have the chance to register either for the same classes they take at the current semester, or one level higher for the language or Math classes. You can only register students in your family that are taking any class at the current semester. For any new student (including old students who have not registered this semester), you have to wait until the registration for new students starts. You can add new student(s) as you wish, but to register you will have to wait.
