

After-school Program Dates

NCLS adheres to the same calendar as Newton Public Schools (NPS), which accounts of course for federal holidays, Winter & Spring Breaks, Professional Days for teachers, and Early Release Days. If students meet more often for our Afterschool Program, then parents will pay more overall. Your after-school tuition covers early release. We do charge extra after 6 pm for \$1/minute. We reserve the right to cancel programs in alignment with NPS emergency weather updates.

Class Schedule

The NCLS After School Program Fall Semester 2024 starts on September 3rd, 2024, and ends on January 31st, 2025. We reserve the right to change the contents of the schedule.
